Board of Directors
Child Care Network

Report on the Financial Statements

We have audited the accompanying financial statements of Child Care Network (a nonprofit organization), which comprise the statements of financial position as of September 30, 2020 and 2019, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Child Care Network as of September 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, as identified in the table of contents, including the schedule of expenditures of federal awards as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 16, 2021, on our consideration of Child Care Network's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Child Care Network's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Child Care Network's internal control over financial reporting and compliance.

Maney Costeiron PC

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements have been prepared on the accrual basis of accounting. Under this method, income and expenses are recognized in the period when they are earned or incurred.

Cash - For purposes of the statement of cash flows, cash consists of balances of checking accounts, savings accounts, money market accounts and cash on-hand.

Accounts receivable - Accounts receivable represent consideration from third-parties, of which the Organization has an unconditional right to receive. Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Currently, no allowance for doubtful accounts is considered necessary. Changes to the valuation allowance have not been material to the financial statements. Beginning and ending balances for accounts receivable is reported as follows for the year ended September 30:

	2020	2019
Receivables, beginning of year	\$ 246,302	\$ 435,528
Receivables, end of year	\$ 143,206	\$ 246,302

Net assets - Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - Net assets available for use in general operations and not subject to donor or grantor restrictions.

Net assets with donor restrictions - Net assets subject to donor (or grantor) imposed restrictions. Some donor restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates that resources are maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, or when the stipulated purpose has been accomplished. See Note 8 for further information.

Refundable advances - The Organization records grant receipts as unearned revenue until they are expended for the purpose of the grant, at which time they are recognized as revenue. Beginning and ending balances for refundable advances is reported as follows for the year ended September 30:

	2020	2019
Refundable advances, beginning of year	\$ 259,888	\$ 402,051
Refundable advances, end of year	\$ 294,284	\$ 259,888

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

Service fees revenue - Service fees are recognized as services are rendered and earned, which is when the performance obligation is satisfied, therefore these fees are recognized at a point in time. No significant variable consideration is associated with the service fees.

Grant revenue - Grant revenue recognized by the Organization is comprised of contracts committed from various funding agencies for use in the Organization's activities. All funding sources are providing revenue streams to the Organization for the benefit of the public. Contract revenue is recognized as revenue upon receipt and meeting all conditional requirements of the funding arrangement. Any funds received in advance for which conditions of the agreement have not been met are recognized as refundable advances and then subsequently recognized as revenue upon meeting the conditions of the agreement.

Contribution Revenue

Contributions of cash and other assets received without donor stipulations are reported as revenue and net assets without donor restrictions. Gifts received with a donor stipulation that limits their use are reported as revenue and net assets with donor restrictions. When a donor-stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Unconditional contributions expected to be collected within one year are reported at their net realizable value. Unconditional contributions expected to be collected in future years are initially reported at fair value determined using the discounted present value of estimated future cash flows technique. The resulting discount is amortized using the level-yield method and is reported as contribution revenue.

Conditional contributions depend on the occurrence of a specified future and uncertain event to bind the donor and are recognized as assets and revenue when the conditions are substantially met, and the gift becomes unconditional.

In-kind contributions - The Organization records the fair value of contributed services in the financial statements if the services either (a) create or enhance a non-financial asset or (b) require specialized skills; are provided by persons possessing those skills; and would need to be purchased if they were not donated. The value of donated services reflected in the accompanying financial statements represent hours donated for licensed child care services that would have otherwise been purchased by the Organization. Also, a substantial number of volunteers have donated significant amounts of time to the Organization's activities that is not reflected in the accompanying financial statements because these services did not meet the above criteria. Donations of facilities are recorded as support at the value of the annual lease payments.

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The following schedule shows the Organization’s revenues disaggregated according to the timing of transfer of goods or services for the year ended September 30:

	2020	2019
Contract revenue recognized at a point in time		
Service fees	\$ 12,071	\$ 28,792
Grants - federal and local	2,059,050	2,347,831
Contributions - other and in-kind	32,928	72,755
Interest and miscellaneous revenue	13,127	6,498
Total revenue and support	\$ 2,117,176	\$ 2,455,876

Functional allocation of expenses - The cost of providing various programs and other activities has been reported in the statement of activities. The statement of functional expenses present the natural classification of expenses that are allocated to program or supporting functions of the Organization. Allocated expenses primarily consist of payroll and related, child care scholarships, provider incentives, occupancy, supplies, training, travel, and various other expense classifications necessary to support the day-to-day operations of the Organization. Employee driven expenses are allocated based on salary and wage analysis. All other allocated expenses utilize management’s estimated use of resources.

Advertising - Advertising costs are expensed as incurred.

Reclassification - Certain prior year numbers have been reclassified to be in conformity with the current year presentation.

NOTE 2 - NATURE OF ORGANIZATION, RISKS AND UNCERTAINTIES

Child Care Network (the “Organization”) is a non-profit corporation with operating offices located in Ann Arbor, Michigan. The purpose of the Organization is to coordinate resources for improving the quality of safe, accessible, and affordable childcare in Genesee, Hillsdale, Jackson, Lenawee, Livingston, Monroe, and Washtenaw counties. The Organization provides training, consultation, and resources for early childhood professionals. The Organization also helps parents with selecting quality childcare and assists low income families with the cost of licensed child care through child care scholarships. The Organization derives its revenues primarily from governmental and corporate services fee and grant contracts, fundraising, and contributions.

The Organization is a non-profit corporation under the provisions of Section 501(c)(3) of the Internal Revenue Code, and as such is not subject to income taxes except on net income from unrelated business activities as defined by the Internal Revenue Code.

In preparation of tax returns, tax positions are taken based on interpretation of federal, state and local tax laws. Management periodically reviews and evaluates the status of uncertain tax positions and makes estimates of amounts, including interest and penalties, ultimately due or owed. No amounts have been identified, or recorded, as uncertain tax positions. Federal, state and local tax returns generally remain open for examination by the various taxing authorities for a period of three to four years.

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 2 - NATURE OF ORGANIZATION, RISKS AND UNCERTAINTIES (continued)

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

The Organization participates in several federal funded grant programs. Federal programs are subject to financial and compliance audits by the grantor or its representatives to ensure recipient compliance with terms of the grant program. Management maintains that any liability for reimbursement of grant funds to a grantor resulting from an audit would not be material to the financial statements.

The Organization is required to disclose significant concentrations of credit risk regardless of the degree of such risk. Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash and accounts receivable. The Organization follows a policy of placing its cash with various FDIC insured financial institutions. Although such cash balances may exceed the federally insured limits at certain times during the year and at year-end, they are, in the opinion of management, subject to minimal risk. Concentration of credit risk with respect to receivables is limited by the Organization which has established policies for extending credit based upon factors surrounding the credit risk of specific customers, historical trends and other information. The breakdown of revenue and receivables by significant sources is as follows:

	2020		2019	
	Revenue	Receivable	Revenue	Receivable
Entity A	1%	4%	44%	85%
Entity B	12%	17%	8%	13%
Entity C	47%	77%	0%	0%

The Organization evaluates events and transactions that occur after the year end for potential recognition or disclosure in the financial statements. These subsequent events have been considered through March 16, 2021, which is the date the financial statements were available to be issued.

The extent of the impact of COVID-19 on the Organization's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on the Organization's customers, employees and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the Organization's financial condition and results of operations is uncertain.

NOTE 3 - LIQUIDITY AND AVAILABILITY

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing program service activities as well as the conduct of services undertaken to support those activities to be general expenditures.

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 - LIQUIDITY AND AVAILABILITY (continued)

The following reflects the Organization’s financial assets as of September 30, 2020 and 2019, which are deemed available for general expenditures within one year of the date of the statement of financial position.

	2020	2019
Cash	\$ 548,513	\$ 347,456
Accounts receivable	143,206	246,302
Beneficial interest in assets held at community foundation	15,627	14,791
Total financial assets	707,346	608,549
Less donor imposed restrictions	(13,878)	(13,878)
Financial assets available to meet cash needs for general expenditures within one year	\$ 693,468	\$ 594,671

In addition to financial assets available to meet general expenditures over the next 12 months, the Organization anticipates collecting sufficient revenue to cover general expenditures. The Organization also maintains a line of credit available to meet short-term needs.

NOTE 4 - ACCOUNTS RECEIVABLE

Accounts receivable at September 30 is summarized as follows:

	2020	2019
Early Childhood Investment Corporation (ECIC)	\$ 6,084	\$ 210,072
United Way Southeastern Michigan (UWSEM)	110,470	-
HUD CoC Rapid Re-Housing	23,652	31,536
Miscellaneous	3,000	4,694
Total	\$ 143,206	\$ 246,302

NOTE 5 - BENEFICIAL INTEREST IN ASSETS HELD AT COMMUNITY FOUNDATION

The Organization partnered with the Ann Arbor Area Community Foundation (Foundation) to act under an arrangement as a depository for gifts, conveyances, and other transfers intended to assist the Organization in achieving its goals and purposes. The Organization’s beneficial interest in amounts held at the Foundation at September 30, 2020 and 2019, is based on the Organization’s allocable share in the market-value of the underlying investments and amounted to \$15,627 and \$14,791, respectively. The original transfer of \$10,425 to create the endowment fund is recorded as net assets with donor restrictions. The beneficial interest is considered a Level 2 investment under fair value standards.

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 5 - BENEFICIAL INTEREST IN ASSETS HELD AT COMMUNITY FOUNDATION (continued)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 6 - LINE OF CREDIT

At September 30, 2020, the Organization has an available line of credit with a bank for \$200,000 for use in both operations and capital purchases. The line of credit is due on demand and is secured by all of the assets of the Organization. Interest on the agreement is calculated using the bank's prime rate plus 0.98% (4.23% at September 30, 2020). The balance outstanding on the line of credit was \$0 at September 30, 2020.

At September 30, 2019, the Organization has an available line of credit with a bank for \$200,000 for use in both operations and capital purchases. The line of credit is due on demand and is secured by all of the assets of the Organization. Interest on the agreement is calculated using the bank's prime rate plus 0.98% (5.98% at September 30, 2019). The balance outstanding on the line of credit was \$0 at September 30, 2019.

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 7 - LONG-TERM DEBT

Long-term debt at September 30 consists of the following obligations:

	2020	2019
<p>Note payable - May 14, 2020, the Organization received \$212,500 as a loan under the CARES Act through the Paycheck Protection Program. The loan is potentially forgivable, to the extent the Organization uses the funds on eligible expenses over the 24 week period following the date of the loan. Eligible expenses include payroll, mortgage interest, lease payments and utility payments. Any portion of the loan not forgiven will be paid back over two years, with interest accruing at 1%. The Organization anticipates full loan forgiveness by spending the funds only on eligible expenses. If the loan is not forgiven, monthly installments of \$11,806, which include interest, are set to begin December 2020 and are due through May 2022.</p>	<p style="margin-top: 20px;">\$ 212,500</p>	<p style="margin-top: 20px;">\$ -</p>
	212,500	-
Long-term debt due in one year	(115,642)	-
Long-term debt	\$ 96,858	\$ -

Total maturities of long-term debt are as follows:

Year Ending September 30,	
2021	\$ 115,642
2022	96,858
	\$ 212,500

Interest expense for the years ended September 30, 2020 and 2019, was \$0, respectively.

The Organization anticipates that 100% of the PPP loan will be forgiven in fiscal year 2021. If it is 100% forgiven, the result will be an immediate increase of \$212,500 to net assets.

**CHILD CARE NETWORK
NOTES TO FINANCIAL STATEMENTS**

NOTE 8 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions at September 30 consist of the following:

	2020	2019
V. Walker Scholarship	\$ 2,453	\$ 2,453
Monroe Scholarship	1,000	1,000
Endowment fund held at AAACF - see note 5	10,425	10,425
Total	\$ 13,878	\$ 13,878

Net assets were released from restrictions during the year ended September 30 by incurring expenses satisfying their restricted purposes. Below are the assets released from restrictions for the year ended September 30:

	2020	2019
Monroe Scholarships	\$ 5,000	\$ 10,680

NOTE 9 - LEASE COMMITMENTS

The Organization leases certain equipment and office space in Ann Arbor, Flint, Jackson, and Monroe under operating lease agreements. Rent and occupancy expense under lease agreements totaled \$125,482 and \$128,247 for the years ended September 30, 2020 and 2019, respectively.

Future minimum operating lease payments are as follows:

Year Ending September 30,	
2021	\$ 119,434
2022	51,540
2023	7,187
2024	3,594

NOTE 10 - NEW ACCOUNTING STANDARDS

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers*, which it and all subsequent amendments to the ASU No. 2014-09, replaced most existing revenue recognition guidance in U.S. GAAP. The Organization adopted ASU No. 2014-09 using the modified retrospective method applied to all contracts not completed as of October 1, 2019. Results for reporting periods beginning after October 1, 2019 are presented under ASU No. 2014-09 while prior period amounts continue to be reported in accordance with legacy U.S. GAAP. The adoption of ASU No. 2014-09 did not result in a change to the accounting for any of the applicable revenue streams; as such, no cumulative effect adjustment was recorded.

In June 2018, the FASB issued ASU No. 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The ASU provides guidance to distinguish recognition practices of contribution activity related to the adoption of ASU 2014-09. The Organization adopted the provisions of this guidance in conjunction with ASU 2014-09. There was no impact to revenue recognized for the years ended September 30, 2020 and 2019 as a result of implementing ASU 2018-08.

Total federal expenditures		<u><u>\$ 1,023,511</u></u>

CHILD CARE NETWORK
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED SEPTEMBER 30, 2020

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Child Care Network under programs of the federal government for the year ended September 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Child Care Network, it is not intended to and does not present the financial position, changes in net assets or cash flows of Child Care Network.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts (if any) shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available. Child Care Network has elected to not use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance. The Organization does not pass through federal funds.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Child Care Network

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Child Care Network (a nonprofit organization), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 16, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Child Care Network's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Child Care Network's internal control. Accordingly, we do not express an opinion on the effectiveness of Child Care Network's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we considered to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Child Care Network's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Child Care Network

Report on Compliance for Each Major Federal Program

We have audited Child Care Network's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Child Care Network's major federal program for the year ended September 30, 2020. Child Care Network's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Child Care Network's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Child Care Network's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Child Care Network's compliance.

Opinion on Each Major Federal Program

In our opinion, Child Care Network complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2020.

Report on Internal Control Over Compliance

Management of Child Care Network is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Child Care Network's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Child Care Network's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
